

This is a busy time of year for everyone. Even though we may not be on our motorcycles, we still need to use some of the motorcycle safety rules and be aware of what is going on around us. The traffic can be crazy with all of the travelers. Even though the snow is pretty, it can make driving a little rough sometimes. So please, everyone be safe out there. Also, if you are walking, be aware of where you are walking. There may be slick spots that you can't see (especially at night).

Our chapter Christmas party was on December 1. We had 22 in attendance. The food was great as always. We all had a good time. We didn't have quite the crowd that we normally do. Some (for some reason) didn't know about it and the weather may have also played a part in the low attendance. Thank you to all of the great cooks for providing all of the good food. A few of us attended the Christmas party in Cassoday. That was a lot of fun. No one should have left either party hungry.

John and I are happy to announce that we have a new great grandson, Caleb Richard born on November 13.
