

Time for school again for the younger crowd. Watch out for the school zones whether you are on your bike/trike or in your car.

August was not very active. We only had two couples for our supper ride. We went to Pomona for pizza. It was really good. The ride was decent as far as the weather goes. A little warm going but a pleasant ride home. Our extended ride was planned for Nelson's Landing in Leonardville. However, we only had three couples for that ride. The weather was just plain hot. Rod had to be to work at 3:00. For those two reasons, we decided to go to Sugar Creek in St. Marys for a sandwich. If you haven't been there, you need to check it out. They have lots of different kinds of candy. Yum! They have jellies, jams, pastas, seasonings and just a little bit of a lot of things. It is worth your trip to pay a visit. After we got done resisting most of the temptation, two couples stopped in Rossville at the park. They had something going on there so we check out the vendors. The other couple came on back to Topeka. There wasn't much at the park for vendors. We made a quick trip through it and headed home. It was just too hot.

Our activities were slim as far as attendance. Don and Brenda decided to go on a month long trip on their trike. They did have some breaks during part of that while they stayed at Brenda's brother's house in West Virginia. Others just couldn't make it for different reasons.

Our meeting was held on August 20. We had 14 in attendance. Attendance was back to close to normal and we were glad to see the members that couldn't make it last month. For the safety tip, John talked about his 140 mile ride that he took on Sunday on his Honda Shadow. Basically, he told everyone to be careful of the gravel. On another note, Don and Brenda talked about their month long ride that

entailed 6000 miles. We had two 50/50 drawings. Randy and Denise Benteman won the large pot and Don and Brenda won the smaller one.

By the way, our chapter director position is still open so if anyone is interested please let us know.
